A cancellation charge will be invoked in respect of cancelled orders. Hirers are reminded that they should arrange insurance cover at least three days prior to the opening and following the closing of the Exhibition. Goods are supplied only on this condition.* Site orders received and executed at an exhibition may be subject to an extra 100% handling charge.

The contract is subject to the availability of the equipment required by the Hirer. GES, at its sole discretion, reserves the right to substitute unavailable equipment for a similar quality in specification and performance. All sizes are in millimeters and are approximate.

* It is essential that you provide accidental damage, loss or destruction cover for the items you have on hire. Our cover of just 6% of the hire fee, is a simple and cost-effective way to arrange your cover.
